

Greetings,

Some of you have asked what our fundraisers are for so those of you who aren't aware of what our biggest goal is right now, we thought now would be a great time to share some information with you.

There has been land donated that is in behind the Baseball fields for the new Swansboro Pop Warner Football Complex.

At minimum by this time next year, we would like to have the facility in a condition that allows the players to practice at the new location and our current broad financial goal is estimated of approximately \$50,000.00 to start this project.

There are several things that have to be completed to reach our goals. We are always looking for anyone who would like to be on the board or who can volunteer in all areas of this project (Engineer for drawings, electricians, plumbers, **project manager**....the list goes on and on). The goal is to have football fields to practice and play games on for Swansboro young football players and cheerleaders. But we need volunteers to make this happen.

If you can assist in any way please come to our next board meeting on Sept 28th at Ellsworth Heating and Air starting at 6:00 p.m.

SEE EVERYONE AT POPWARNER NIGHT THIS FRIDAY.....
